This is a wonderful opportunity to try a different itinerary other than our usual cruise experiences. It has a very 'historical' influence with town and city names that conjure up the magic of Franconia and Bavaria. There is plenty of time to explore Passau, home to elegant coloured buildings and lovely arcades. Regensburg escaped major damage in the war years and is a beautifully preserved medieval city and oldest along the Danube. Nuremberg is surrounded by 13th Century walls with gates and water towers. Bamberg, a lovely medieval city renowned for beer! Add to this equally splendid Würzburg, Wertheim and others, you have a magnificent new itinerary to explore. That's not forgetting the beautiful flagship 5-star Ariana, your home for eight nights with amazing food, comfort and luxury, together with our own six piece Cruise In Band for evening entertainment.

### 8 WONDERFUL NIGHTS ON THE MAIN/DANUBE CANAL AND RIVER

**ENJOY THIS FABULOUS ITINERARY FOLLOWING THE HISTORY OF BAVARIA, ITS ARCHITECTURE AND PICTURESQUE OLD TOWNS, CASTLES AND CHURCHES.**

#### REGENSBURG

Regensburg was the first capital of Bavaria and for 600 years an imperial free city. It has some of the regions finest architectural heritage and in 2006 was recognised by UNESCO. The city is divided by the east flowing Danube. There are many places not to miss on your visit. Dom St Peter ranks amongst Bavaria's grandest Gothic Cathedrals. Construction dates from the late 13th Century. There are many museums that are well worth sometime - The Domschatz museum (Cathedral Treasury) the Thurn and Taxis Museum (jewellery, porcelain and precious furnishings which belonged for many years to the wealthiest dynasty in Germany and valued at well over one billion euros) Reichstagsmuseum (imperial diet museum) plus even more.

#### NÜRNBERG (NUREMBERG)

Bavaria's second largest city and unofficial capital of Franconia is one of the regions biggest tourist attractions. Most major sights are within the Old Town area. Hauptmarkt is the bustling market square and features Schöner Brunnen, the gilded 'Beautiful Fountain' with tiers of figures, and 'Frauenkirche, a 14th Century Gothic Church. The city is distinguished by medieval architecture. At the northern edge of the Old Town, surrounded by red roof buildings stands Kaiserburg Castle, an absolute 'must see'. Construction began in the 12th Century and dragged on for almost 4 centuries. The humongous complex embraces surprises round every corner! The Kaiser's living quarters, The Imperial and Knight's Halls, the Sinwell Tower with 113 steps. The Amazing 48 metre deep well, Tiefer Brunnen.

#### BAMBERG

With a history-steeped centre, a magnificent cathedral and lots of romantic charm, its difficult not to be impressed by Bamberg. It is one of Germany's most beautiful cities. It was built by Archbishops on seven hills, earning its title of 'Franconian Rome'. The city emerged from WW2 with hardly a scratch and most of the city's finest buildings are originals with examples of architecture from the Romanesque era. Two waterways bisect the city - the main Danube canal south of the station and the Regnitz River which flows through the town centre. Much of Bamberg's appeal lies around the Old Town, to the North West are the charming half-timbered homes of Klein Venedig (Little Venice). Bamberg is also famous for its beer with 10 breweries in town and another 80 in the suburbs!

#### SCHWEINFURT

Schweinfurt is a city in the lower Franconia region of Bavaria on the right bank of the Main River which is spanned by several bridges.

#### WÜRZBURG

This scenic town straddles the Main River and is renowned for its art, architecture and delicate wines. Lavish baroque and rococo buildings feature in many places, particularly the 18th Century Residenz Palace with ornate rooms, a huge fresco by Venetian artist Tiepolo and an elaborate staircase. With masses of wine connections, Würzburg is well known for its distinctive bottles with flattened round shapes (Bocksbeutel).

#### WERTHEIM

Home to the stunning Wetheim Castle, this town in Southwest Germany is located on the confluence of the Main and Tauber rivers. The Old Town is a delight of medieval alleyways, half-timbered houses and small squares overlooked by 12th Century imposing castle. For shopaholics Wertheim houses a superb 110 shop outlet centre on the outskirts!!
