**PARIS REUNION – AS ALWAYS.....SUPERB!**

**29 NOVEMBER TO 2 DECEMBER 2018**

To 50% of you it was a 4-night break with those going by coach enjoying almost 24 hours in Reims. This was an excellent add on as always when the Christmas Markets are on. The lights this year were exceptional and although the market was held around the cathedral for security reasons it didn't change the feel of this beautiful city.

Paris was as good as ever and the events happening in the centre did not affect the enjoyment. The Panoramic Tour and the morning Tour to Montmartre had excellent guides and to newcomers gave a wonderful insight into the highlights of Parisian life. With almost a coach load on the Friday, they went to the Palace of Versailles for a wonderful afternoon out. Our reunion ball and the free raffle was its usual WOW, with dancing going on until late.

Entertainment throughout was supplied by the Cruise In Band plus wonderful cabaret by The Totties. Best part to many was the fact that this cruise was all-inclusive with drinks aplenty! Here's to the next reunion!
