Remember this is not part of our full 4-night programme. The additional cost for Sunday on dinner, bed and breakfast terms is £55 per person in a standard room, with an additional £10pp supplement for Riviera Rooms and £15pp supplement for Riviera Terrace rooms. Saturday night carries a further £5pp supplement, all of course subject to availability.

*It's as simple as that. Terms and conditions?
You must be friendly and ready to enjoy the 4 nights!*
