# THE BRAND NEW 5-STAR MS ADORA LAUNCHES ON 29 MARCH 2019

We are privileged to be included by Dunav Travel in the opportunity of chartering her in November following the end of the season with leading German Charterer Phoenix. Already we have been selling 'off plan' for our dates 3rd to 10th November 2019 and planning well ahead to make it a memorable cruise. There are no images other than computer generated but the fact is she will be every bit of what we expect of a brand new ship. There are some new points however. She will have a totally different kitchen and hotel management team supplied by the 'SeaChefs', a company now handling many of the large ship brands which we are not allowed to name. With an intimate 24 seat 'alternative' restaurant, we don't know how it will work with our 'house party' style of operation, but hey, let's find out! Maybe use it as a card or games room!

We currently have no full brochure, which we may produce in May following Adora's launch, where the cameras will be clicking! Don't lose the chance of experiencing this very special ship!
