This will be our third Christmas Cruise and there are several points that make it better than previous years. One day longer to start with. Our coach transport will be to Rotterdam, one of the easiest journeys from Ashford to shipside via Eurotunnel or many flight options to Amsterdam, even Eurostar from St Pancras or Ebbsfleet. Our Christmas itinerary includes 5 new ports, although Amsterdam has been retained because of its vibrant Christmas Day. If you haven't done the fabulous Carre Theatre for the International Circus or been on the canals to see the Amsterdam Christmas Light show before dinner, then these will be optional tours available to experience two unforgettable events. Our ship this year is the Rousse Prestige, a beautiful vessel as you will see from the photographs, having had a complete refit last year. Built on a traditional hull she has more cabins than Elegant Lady, some of which are different styles making it affordable for all. Many of the Deck B cabins and all of the Deck A cabins have French balconies. Like the CroisiEurope ships we use on the Seine the restaurant and lounge are on the same deck. There's much more though. The entertainment throughout is British with the 6-piece Cruise in Band. It's a wonderful way to meet old friends or make new ones! If you join us knowing no-one, you'll leave knowing everyone! When you've experienced a Cruise In river charter, like many of our friends, you will want to come again and again! We look forward to seeing you onboard! *Cliff, Kim & The Crew at Cruise In*
