

# NEWSLETTER

*exclusive to members of the inner circle club*

JUNE 2019

## Dear Friends,

At last, another newsletter featuring best value cruises, articles and offers. I can only apologise for it taking 5 months to produce, but we can't keep up with cruise line changes. I can't even keep up with cruise line accidents!! We are all looking forward to our Andre Rieu event in July and look forward to meeting many of you, as well as our massive group going to Kiel via Hamburg in September to board MSC Meraviglia, en-route to Southampton via Copenhagen. If you haven't booked to sample and experience the wonderful new river vessel MS Adora on the Danube in November, there are only a few cabins remaining. Offers like this don't come often! Thanks for your many cruise reports that you send. If you need any help and advice booking your next cruise, don't forget to give us a ring! All that's left is to wish you a wonderful summer to enjoy our great British sunshine!

## TWO ULTIMATE OCEANIA MEDITERRANEAN OFFERS

Of course, you may have missed our amazing offers which we sent out by email on the 24th and 29th May featuring Oceania's 2 mid-sized superb 6-star ships Riviera and Marina. So read on, but remember we only have an extension for you to book until the end of June or until the offers are withdrawn.

## STRASBOURG & BASEL RIVER CRUISE 22 – 29 NOVEMBER

If you haven't booked yet for our November cruise on our favourite ship, Elegant Lady, don't leave it too long! When the winter flights came in 6 weeks ago it was bad news for those waiting for Manchester, Birmingham or Glasgow. As a result that put back a few cabins on a 'sold out' cruise. There are still seats on our 2 coaches from Ashford to Strasbourg and we have flights available from Gatwick, Heathrow and Bristol. Although this cruise was never intended to sell for Christmas Markets, we can confirm that Strasbourg opens on the 23rd November, 3 Zurich markets on the 22nd, namely the Old Town, Opera House and the station plus Colmar on the 22nd so there will be no shortage of Christmas festivities! Basel has changed its opening date to the end of November, so that's one missing!

### THANKS FOR ALL YOUR PHOTOGRAPHS!

Over the events, chartered river cruises, reunions, sea cruises and the like we've all been on together, it suddenly hit us that many of you have sent us digital shots to use in our brochures and newsletters. We value everything you send us, in fact a big, big thank you. We rarely send anything back to you, but how's this for a good idea! When you next send photos of your trip, river cruise or anything that could be of interest to us we'll send you a USB stick to replace what you send us! I know we never send back anything you send us because we keep them on file for a rainy day!

## MARCH 2020 7-NIGHT MOSELLE RIVER CRUISE

As many of our Inner Circle Members know, this was sold out in 12 hours following an Email in April. We are operating a waitlist for anyone wishing to go if we have a cancellation. Please don't ring for a leaflet – it was never printed!

A small update for those of you already booked. We are trying to add two short stops at Alken (Sunday) and Tries-Karden (overnight Sunday through to lunchtime Monday) giving us, for the first time, Cochem in the afternoon rather than the morning on the Monday. Other than that, the original regular itinerary is the same!

### OCEANIA BOOKINGS GOT BETTER!

If you were one of our friends who booked on an Oceania cruise from our emails\*, featuring the Caribbean in March 2020, the Med in April or Barcelona to Southampton in May, it may have just got better! We have been advised that one of the free add ons, a limited drinks package with wine and beers at lunch and dinner, is upgradable for 20 dollars each per day to include everything! That means, if you want to upgrade, you can use your on-board credit which still leaves you change!!

\*If you missed our exclusive offers, there's still time to book. They are featured on the previous page.

## CRUISE IN'S WONDERFUL CASE OFFER IS BACK!

We've had so many enquiries recently, we thought we should bring it back for Inner Circle Members! The Capri range are made of ABS and the Laguna range of Polycarbonate. Needless to say they come with 8 wheel drive which we have been raving about for the last 2 years and make such easy gliders with no effort. The only thing to warn you of is, don't leave them unattended or held on a slope! It happened in my driveway and it beat me down the slope! If you try to look them up on-line you will not be looking at this brand new 2019 range as they have not yet been released for sale.

## CELEBRITY EDGE® VISITS SOUTHAMPTON

The eagerly anticipated Celebrity Edge® has now embarked on her first European season. Some of the team here at Cruise In were lucky enough to sample her award winning facilities, staterooms and public spaces for two nights in May and here is what we found out for you.

Approaching her in the dock at Southampton, the first thing you notice is her unique bow shape. Different from other cruise ships and liners this new 'parabolic ultra-bow' is designed for better fuel efficiency and should offer a smoother sailing.

From the moment you step on-board Edge, you're greeted with a layout and décor that is fresh, modern and clean. A globally renowned design team including designers such as Kelly Hoppen, MBE have delivered fresh and exciting new interiors that make a bold statement of modern luxury.

The Grand Plaza in the centre of the ship spans 3 decks and is a lively epicentre that hosts guests throughout the day. The martini bar and Grand Plaza café offer guests fabulous martini cocktails or speciality coffees. The space is dominated but not overpowered by the magnificent chandelier and from this vast gathering space you can access other venues such as the speciality dining restaurants and the casino close by.

A first for Celebrity Cruises® is EDEN. A multi-level area at the aft of the ship, which boasts three storeys of windows made up of 7,000 square feet of glass. These offer ever changing views and bring in the natural daylight. Its library of plants makes it feel natural and alive but still relaxed. Retro style seating means there is somewhere to relax with one of the signature cocktails and enjoy the view. EDEN isn't just a place to unwind. During sailings there is wide range of social activities on offer from cocktail-making, cooking classes and food and wine paring sessions. With the EDEN Café on hand there's somewhere to have breakfast beforehand or a light lunch afterwards.

Evenings are when EDEN changes and it becomes a setting for performance art and casual drinks. It's also the location for another Celebrity first – the Silent Disco®. Supplied with your own headphones, you choose what to listen to and dance the night away – your fellow guests doing the same but to completely different music.

Edge's outdoor spaces, designed by Tom Wright, feature more Celebrity® firsts. The Resort Deck is unlike any other at sea. Here you can find the Rooftop Garden. A living, outdoor garden with fresh plants, shrubs and treetop sculptures. It's the perfect spot for outdoor dining or to sink into

an ocean view chair and listen to the live outdoor musicians. The Adults only Solarium Pool is also on the Resort Deck. A covered pool area where adults can unwind in modern luxury style. 3D modern wall art echoes the colours and movement of the sea as you relax in the serene atmosphere. The Main Pool and accompanying bars are a big hit in warmer climates. One of the largest outdoor pools at sea is surrounded by loungers offering great ocean views.

Another first for Celebrity Cruises® and the world of cruising is the Magic Carpet. A cantilevered, floating platform which ascends the ship's starboard side - 13 storeys above the sea. It provides an additional dining and full bar space with comfortable seating and fantastic views. When

positioned on deck 2 it becomes a state of the art embarkation station for Celebrity's® new style tenders for trips ashore. At lunchtime, it's positioned on deck 5 transforming into an open-air casual seafood eatery, an extension of the speciality restaurant, Raw on Five.

Celebrity Edge® boasts a total of 29 restaurants, cafes, bars and lounges - four of which are the Main Dining Restaurants. When booking on one of the traditional dining times you'll be assigned one of these restaurants by Celebrity® and will be told which it is once you get on-board.

Each of the Main Restaurants offers classic menu choices that stay the same throughout the sailing and changing signature dishes in-keeping with the venues style and theme. To fully take advantage of all the styles and choices we would highly recommend opting for the Celebrity Select Dining® option. This gives the freedom to choose where and when to dine (all subject to space and availability).

As with all Celebrity® cruise ships, guests in AquaClass® staterooms dine in their own exclusive restaurant, Blu – which features clean, crisp flavours and inventive cuisine. Suite Class guests have their own private dining location too, Luminae. Signature dishes are created by globally-renowned chef Daniel Boulud on daily changing menus that are not offered at any other eatery on-board.

With 2 new stateroom categories on offer, Kelly Hoppen MBE has surpassed expectations in the design of Edge's® beautiful new accommodations. The Edge Stateroom with Infinite Balcony is transformational in combining the inside and outside spaces. With the touch of a button, the glass window descends and becomes your balcony. With bi-fold doors that open fully, the area feels like an extension of the living space and creates an open and airy feeling to your stateroom. Size wise, it's 27% larger than the rest of the fleet and the beautifully appointed bathroom with walk-in shower and stylish fittings is 10% larger too.

Also worth mentioning is the Edge Single Stateroom with Infinite Balcony. There are 16 of these on-board and give solo travellers the same stateroom experience. At 142sqft, including the balcony, they still feel open and airy and have not compromised on the amount of floor space.

The Edge Villa, one of the new categories of stateroom on the ship, is a two storey luxury residence – the first of its kind in the Celebrity® fleet. With 950 square feet, this one bedroom, two bathroom luxury space with its own private plunge pool is fully open and airy. Edge Villas have direct access to The Retreat Sundeck, a private outdoor space for Suite Class guests.

The other new category of stateroom is the Iconic Suite, Celebrity Cruises® most luxurious and spacious suites. They are positioned high on top of the ship, above the bridge, affording their guests stunning, sweeping, panoramic views from front to back. They consist of two bedrooms and two bathrooms and with more than 2500 square feet of opulent, sumptuous and outdoor space are the ultimate in luxury and indulgence.

All in all the stay on-board was a very interesting and worthwhile experience. With first-hand experience and information we all feel that we can advise you on what to expect when you book on Celebrity Edge®.

# 'Une Balade en France' 2020

**The Somme and Normandy  
7 days, 6 nights May or June (dates to be agreed)**

I've been asked by several of our Club members if we could do another coach trip next year. It seems very appropriate to cover an area close to the UK and I would suggest that we do the Somme area plus the D Day beaches of Normandy with possible staying points of Abbeville, Liseaux or Caen/Bayeux.

We would like to trial a new option to not only keep it cost effective but enable people from around the country to use the train or car to Ashford International station. This would save a nights hotel at Ashford, an additional one day coach hire plus a cut down to 6 nights on tour.

However, it would not stop those who would prefer to stay the night before as usual at the Holiday Inn to do so with included parking. The coach would pick up from the hotel at 13.00 and from Ashford International at 14.00 for departure to the tunnel. If you travel by car, parking is available at the multistorey car park by the station and for those travelling by train from St Pancras the journey time is as quick as 38 minutes. On the return we would drop off at approximately 14.00 en-route to the hotel. Our coach travels by Eurotunnel not ferry.

For those unaccustomed to our coach tour the system is simple. It's like nothing else! Contiki Coach and Wim our driver. Picnic Tables. Cases of wine and drinks. Own chairs. Barbeque. Picnic Stoves for tea and coffee. Anyone capable of helping can help when required! Its up to you.

It's a fun trip and in true British fashion, we are all in it together! The costing which covers 6 nights bed and breakfast, coach from start to finish, Crossings on Eurotunnel will be £595pp based on double/twin occupancy PLUS a housekeeping purse of approximately £120pp which will cover 3 dinners, all drinks on the coach plus picnics and barbeques which normally amounts to 3 possibly 4.

If its not you, we understand. We need to start planning immediately so would require a refundable deposit of £100pp and on final details a further £100pp or refund of original. Please ring in to Joanne to put your names on the list - 01264 350750.
