

'ESCAPE TO THE CHÂTEAU'

An exclusive, charming, summer experience!

**8 days / 7 nights 7 - 14 June 2021 and 20 - 27 September 2021
by luxury coach dedicated to just 26 people!**

We have finally found a wonderful chateau, less than one hour from the tunnel. With our dedicated coach and driver from Contiki Holland what more could we want for exploring this lovely area or just enjoying the peace and tranquillity of the 12 bedroom chateau with so many wonderful things to do in the grounds. This is a self-catering big 'house party'. We will be carrying onboard the coach our total picnic set up with tressle tables, cookers and cool boxes so that we don't go short of ice if we are out during the day or evening! Several full meals round the 30 person dining room table, cocktails on the terraces and all served and prepared by.... US! Facilities are excellent and are listed below. Sadly there is no lift and this is unsuitable for disabled guests.
